"The smooth jazz trumpet idiom has been the stronghold of Rick Braun, Greg Adams, Chris Botti and, in its earliest iterations, Miles Davis and Herb Alpert. With **Workin' It**, Bolvin shows he has the goods to stand with those commercially better-known players."

"Bolvin is one hot player, drawing from the inspiration of the trumpet's masters and turning it into his own sound. In fact, Bolvin has a sound to which many players aspire; and he is a forthright bandleader, composer and arranger."

"I have to say that Eric Bolvin is quite impressive. I think he's on to something here."
